Who are the Friends?

The Friends of the Town of Ballston Community Library is an all volunteer, not-for-profit 501(c) 3 organization. Friends believe that an excellent library is essential to our community and are dedicated to supporting its mission, programs and services. Membership is open to all individuals and families. Since its formation over 50 years ago, the Friends of the Town of Ballston Community Library has strengthened the bond between our library and community.

Why should you become a Friend?

As a member, you will meet a group of people who share a passion for library excellence. You can make a lasting difference for your library community by supporting activities and purchases not possible under the library's charter or the annual operating budget. We enjoy the sincere appreciation and support of the library's hardworking staff. We welcome new members to share your ideas and contribute to the meaningful work of the friends. You can make a difference. Join the Friends and Help one of your community's most important assets.

The Friends meet on the first Tuesday of each month. At either 9am or 7pm
