This is an update on the Transition of the Library to a Special District Library (as currently defined by New York State Education Department (NYSED)). Content updates for January 2023 are highlighted yellow. Clerical updates are not highlighted. Transition efforts status is provided in Table 1 and summarized in the descriptive text.

Despite the setback of missing the 2022 legislative cycle, the Library Board of Trustees is continuing the effort to establish clear operational guidelines between the Town Board and the Library Board of Trustees. The Library Trustees hope that the Town Board will join them in this endeavor and consider providing direct accountability to the voters of the Library District.

The Library and the Town continue to discuss the Transition effort for possible implementation through the 2023 session of the NYS Assembly. All of the previously shared or Town administered services on behalf of the Library have transitioned to full Library administration. Library operations do not rely on Town administration, and, in the future, will not, unless, and except as, *ad hoc* efficiencies in collaborating are identified by the Library and the Town and a mutually agreed upon, separate contract is put in place.

In a May 2, 2022 meeting with Library Trustees Zarelli and Shaginaw, and Councilman Carota, Town Supervisor Connolly requested that the Library Board of Trustees revisit the idea of modifying the Legislation to modify the Special District Library definition after the Board Membership changes (July 1, 2022).

On November 1, 2022 Library Trustee Stone, Councilman Carota, and Town Supervisor Connolly met and discussed home rule for legislation, the status of a potential lease agreement, and dual building insurance. The Town Supervisor addressed the above by reaching out to the Town Board members; the Library Trustees will await Town Board feedback and follow up accordingly. At the December 27, 2022 Town Board Agenda Meeting, the Library requested a Home Rule Resolution from the Town Board that would allow an update of the current charter to that of a true special district; no issues were presented by the Town Board regarding this initiative. At the January 10, 2023 Town Board Meeting, Supervisor Connolly acknowledged receiving a Home Rule Resolution Draft from the Library; a proposed resolution anticipated for the next scheduled Town Board Meeting (2/14/23).

Table 1. Capture of Services

A. <u>Payroll</u> has been transitioned. Library is processing payroll.

B. Since January 1, 2022, the Library process is being used to administer all new Library procurements. This will continue for future procurements.

C. Library <u>Funds</u>, and the <u>Accounts</u> where those funds reside, are described in the Director's report in the posted minutes of the Library Board of Trustees meeting. <u>https://burnthills.sals.edu/</u>.

The most recent <u>Library-generated financial report</u> was reviewed in the Public Meeting of the Library Board of Trustees on February 1, 2023 (originally scheduled for January 25, 2023). Further, on January 11, 2023, the Library provided the Town with updated additional detailed monthly Financial reports and account reconciliations that had been identified by the Town.

To facilitate continued Library operations, the Town transferred two tranches of 2022 Library Tax Levy to the Library's Treasurer. These transfers occurred on January 7 and March 7, 2022.

On April 25, 2022, the Library Board of Trustees wrote to the Town to initiate the transfer of the remainder of Library District 2022 taxes and of the Library Fund. On May 2, 2022, the Supervisor handed the Library BOT President the balance of the 2022 Library District taxes.

On June 16, 2022, the Town Comptroller contacted the President and Treasurer of the Library Board of Trustees, stating the Town's decision to transfer the Fund Balance to the Library. The Library President subsequently received a check for \$334,493.82 and the money was deposited into the library account that had been established for this purpose.

The Town and Library must coordinate the input of data to the NYS Office of the State Comptroller (OSC) Annual Update Document (AUD). In 2021, and prior years, the Town AUD submission included the account information for the Library. In 2022, reporting on 2021 Accounts must reflect both those held by the Town for the Library, and those of held by the Library. The Town Bookkeeper reached out to the Library on April 25, 2022 to indicate that the Town will submit the joint (Town and Library) AUD and to request initial information to support this action. The Library learned on June 23, 2022 that the Town filed the AUD with the OSC on April 27, 2022 and is looking into the details of the content.

D. The <u>tax levy</u> is currently authorized to be included on the budget submitted by the Town Board, and paid only by those in the district served. After Transition, the Library Tax will continue to be collected by the Town on residents' tax bills. The legislation that was being drafted would have authorized a process by which a budget is directly approved by voters of the Special District Library. The delay in the Legislative process required to execute the Transition means that the Pre-Transition budget process will remain in effect for the 2023 Budgeting cycle.

E. Historically, the Library <u>Trustees are appointed</u> by the Town Board. This is specified in the existing Library Charter. NYSED specifies an election-based approach for selecting Trustees in Special District Libraries. The Transition will modify the existing Library Charter in this regard. Constituents in the Library's Special District (serving the Town of Ballston, excluding the Village of Ballston Spa) will be eligible to vote to select Library Trustees.

In the May 2, 2022, meeting, Town Supervisor Connolly requested that the new Library Board of Trustees (3 new trustees appointed as of 7/1/22) revisit the idea of modifying the Legislation to the Special District Library definition. Consequently, the Library Board of Trustees passed a resolution in the July 27, 2022 meeting recommitting to a charter update.

F. <u>Employee Medical Benefits/WC/Retirement/Disability</u>; beginning on the 1 January 2022, the Library manages this in accordance with local Civil Service rules and guidelines. The last elements of the NYS Retirement have been completed.

G. <u>HR Administration</u>; Beginning on January 1, 2022, the Library manages HR Administration in accordance with local Civil Service rules and guidelines and that handbook.

H. The Library <u>premises and contents have been previously insured</u> through the Town, and paid by Library funds. Presently, the Library has secured its own insurance for the Library's premises and contents that went into effect on January 1, 2022. The process for insuring the building may change as (and, if) building ownership evolves. A copy of the applicable insurance policies has been provided to the Town by the Library. In June, it was discovered that both the Town and the Library are maintaining insurance for the premises and collection. The Library's budget is being used to pay for both. This is the topic of ongoing evaluation and discussion.

I. <u>Building Maintenance</u> is coordinated and paid for by the Library. <u>Capital improvements</u> are coordinated and paid for by the Library, with notice to and upon leave of the Town as property owner.

J & K. The <u>Library premises are owned</u> by the Town, but restricted by deed to the use of the Library. The Library and Town coordinate on property-related issues. The Library Board of Trustees passed a resolution in the September 28, 2022 meeting to consider entering into a lease agreement with Town for use of the library building. The Library wishes to confirm the terms of its occupancy of the library building to ensure clarity regarding key operational issues. Therefore, the Library shall explore a written agreement with the Town, to be finalized before the start of 2023.

L & M. Snow removal and landscaping are administered and paid by the Library.

N. The Library has retained an <u>accountant</u> for the fiscal reports it must file with the State and share with the public and other services.

O. On-going <u>Legal Support</u> of the Library was previously provided by Town, but is currently administered and paid by the Library.

P. Previously, the Library employed <u>Policies</u> of both Town and Library, with the Library leveraging Town policies for many administrative and non-Library specific operations. The Library no longer references Town policies.

Summary:

This document describes the aims and activities of the Transition of the Library to a Special District Library (using the Contemporary Definition). It specifically targets the roles of the Town and the Library relative to operations and governance.

Despite the setback of missing the 2022 legislative cycle, the Library Board of Trustees is continuing the effort to establish clear operational guidelines between the Town Board and the Library Board of Trustees. The Library Trustees hope that the Town Board will join them in this endeavor as it provides direct accountability to the voters of the Library District.

The Town and Library serve shared constituents. It is imperative that this transition results in minimal disruption for patrons and employees.

Youth Services Programming: We introduced a new Teen Book Club in February called "Teen Book Boxes." Every other month we have 10 themed boxes available for registration. In each box is a free paperback book, stickers, a bookmark, and a surprise item. So far it has been a hit and seems to be attracting teens to other programs we've offered this month. We are excited to try it again in April. In addition to the new book club we also had 6 other book clubs, 4 weekly story times, a Saturday story time, a Grab 'N Go craft, 2 afterschool craft programs, a STEM program, 2 Teen craft programs, 2 Read to Seamus the therapy dog sessions, and a Bookmark Design Contest. Youth Services staff has contacted most of the performers for the upcoming Summer Reading Program. We are currently working on finalizing the last few events of the summer calendar.

Adult Programming: March is going to be a busy month with the Small Towns, Big Read programs, along with Memoir Writing with Mary Sanders Shartle starting back up as well. An educator from the Schoharie Crossing Historic Site will be here at the end of March to do a program about the Erie Canal. In April there will be 2 programs about the Hillside Cemetery, one a tour onsite, the other an educational program here at the Library. Planning for Summer Reading is still underway.

Organizational Goals

 Representatives from the Library and the Town met with the Southern Adirondack Library System, NYS Library Development, Assemblywoman Carrie Woerner, Senator Iwen Chu, representatives from Assemblywoman Marybeth Walsh's Office and from Senator Jim Tedisco's office. Draft legislation was discussed and everyone agreed to pursue changes to allow the charter update to move forward.

Facility Update

• Sage Engineering and Roland J. Down each came to look at the heating issue in the Local History Room. It has been determined that Unit 6 is not operating properly in heat mode. A new thermostat and wiring are the first step to rectifying the issue.

This is an update on the Transition of the Library to a Special District Library (as currently defined by New York State Education Department (NYSED)). Content updates for February 2023 are highlighted yellow. Clerical updates are not highlighted. Transition efforts status is provided in Table 1 and summarized in the descriptive text.

Despite the setback of missing the 2022 legislative cycle, the Library Board of Trustees is continuing the effort in 2023 to establish clear operational guidelines between the Town Board and the Library Board of Trustees. The Library Trustees are working with the Town Board as well as the appropriate stakeholders to initiate the legislative process which will provide direct accountability to the voters of the Library District.

All of the previously shared or Town administered services on behalf of the Library have transitioned to full Library administration. Library operations do not rely on Town administration, and, in the future, will not, unless, and except as, *ad hoc* efficiencies in collaborating are identified by the Library and the Town.

On November 1, 2022 Library Trustee Stone, Town Councilman Carota, and Town Supervisor Connolly met and discussed home rule for legislation, the status of a potential lease agreement, and dual building insurance. The Town Supervisor addressed the above by reaching out to the Town Board members. At the December 27, 2022 Town Board Agenda Meeting, the Library requested a Home Rule Resolution from the Town Board that would allow an update of the current charter to that of a true special district; Town Board discussed it and no issues were presented regarding this initiative. At the January 10, 2023 Town Board Meeting, Town Supervisor Connolly acknowledged receiving a Home Rule Resolution Draft from the Library. On February 16, 2023, a Stakeholder Meeting was held to discuss the legislative amendment process. Town Attorney Ryan reviewed the 2022 draft legislation and raised points where he would like the language to be updated so that it is acceptable to both Town and Library; Town Attorney Ryan and Library Attorney Adams plan to meet to make these revisions; a tentative timeline was suggested during this meeting as follows:

- Now to End of February Make edits to current 2022 draft
- Beginning of March Both parties to review and analyze
- Mid to End of March Approved and finalized Legislation introduced into Assembly by Sam Torrey (Chief of Staff for Assemblywoman Marybeth Walsh) for Number; Additional discussion as needed at Town Board Agenda Meeting (3/28/23)
- Beginning of April Anticipated Home Rule Resolution at Town Board Meeting (4/11/23); paperwork to be finalized by Sam

Table 1. Capture of Services

A. <u>Payroll</u> has been transitioned. Library is processing payroll.

B. Since January 1, 2022, the Library process is being used to administer all new Library procurements. This will continue for future procurements.

C. Library <u>Funds</u>, and the <u>Accounts</u> where those funds reside, are described in the Director's report in the posted minutes of the Library Board of Trustees meeting. <u>https://burnthills.sals.edu/</u>.

The most recent <u>Library-generated financial report</u> was reviewed in the Public Meeting of the Library Board of Trustees on February 22, 2023. Further, on February 13, 2023, the Library provided the Town with updated additional detailed monthly Financial reports and account reconciliations that had been identified by the Town.

D. The <u>tax levy</u> is currently authorized to be included on the budget submitted by the Town Board, and paid only by those in the district served. After Transition, the Library Tax will continue to be collected by the Town on residents' tax bills. The proposed legislation will authorize a process by which a budget is directly approved by voters of the Special District Library. The delay in the Legislative process required to execute the Transition means that the Pre-Transition budget process will remain in effect for the 2023 Budgeting cycle.

E. Historically, the Library <u>Trustees are appointed</u> by the Town Board. This is specified in the existing Library Charter. NYSED specifies an election-based approach for selecting Trustees in Special District Libraries. The Transition will modify the existing Library Charter in this regard. Constituents in the Library's Special District (serving the Town of Ballston, excluding the Village of Ballston Spa) will be eligible to vote to select Library Trustees.

In the May 2, 2022, meeting, Town Supervisor Connolly requested that the new Library Board of Trustees (3 new trustees appointed as of 7/1/22) revisit the idea of modifying the Legislation to the Special District Library definition. Consequently, the Library Board of Trustees passed a resolution in the July 27, 2022 meeting recommitting to a charter update.

F. <u>Employee Medical Benefits/WC/Retirement/Disability</u>; beginning on the 1 January 2022, the Library manages this in accordance with local Civil Service rules and guidelines. The last elements of the NYS Retirement have been completed.

G. <u>HR Administration</u>; Beginning on January 1, 2022, the Library manages HR Administration in accordance with local Civil Service rules and guidelines and that handbook.

H. The Library <u>premises and contents have been previously insured</u> through the Town, and paid by Library funds. Presently, the Library has secured its own insurance for the Library's premises and contents that went into effect on January 1, 2022. The process for insuring the building may change as (and, if) building ownership evolves. A copy of the applicable insurance policies has been provided to the Town by the Library. In June, it was discovered that both the Town and the Library are maintaining insurance for the premises and collection. The Library's budget is being used to pay for both. This is the topic of ongoing evaluation and discussion.

I. <u>Building Maintenance</u> is coordinated and paid for by the Library. <u>Capital improvements</u> are coordinated and paid for by the Library, with notice to and upon leave of the Town as property owner.

J & K. The <u>Library premises are owned</u> by the Town, but restricted by deed to the use of the Library. The Library and Town coordinate on property-related issues. The Library Board of

Trustees passed a resolution in the September 28, 2022 meeting to consider entering into a lease agreement with Town for use of the library building. The Library wishes to confirm the terms of its occupancy of the library building to ensure clarity regarding key operational issues. Therefore, the Library shall explore a written agreement with the Town; this is currently on hold pending legislation.

L & M. Snow removal and landscaping are administered and paid by the Library.

N. The Library has retained an <u>accountant</u> for the fiscal reports it must file with the State and share with the public and other services.

O. On-going <u>Legal Support</u> of the Library was previously provided by Town, but is currently administered and paid by the Library.

P. Previously, the Library employed <u>Policies</u> of both Town and Library, with the Library leveraging Town policies for many administrative and non-Library specific operations. The Library no longer references Town policies.

Summary:

This document describes the aims and activities of the Transition of the Library to a Special District Library (using the Contemporary Definition). It specifically targets the roles of the Town and the Library relative to operations and governance.

Despite the setback of missing the 2022 legislative cycle, the Library Board of Trustees is continuing the effort in 2023 to establish clear operational guidelines between the Town Board and the Library Board of Trustees. The Library Trustees are working with the Town Board as well as the appropriate stakeholders to initiate the legislative process which will provide direct accountability to the voters of the Library District.

The Town and Library serve shared constituents. It is imperative that this transition results in minimal disruption for patrons and employees.
