This is an update on the Transition of the Library to a Special District Library (as currently defined by New York State Education Department (NYSED)). **Content updates for August 2023 are highlighted yellow.** Clerical updates are not highlighted. Transition efforts status is provided in Table 1 and summarized in the descriptive text.

All of the previously shared or Town administered services on behalf of the Library have transitioned to full Library administration. Library operations do not rely on Town administration, and, in the future, will not, unless, and except as, *ad hoc* efficiencies in collaborating are identified by the Library and the Town.

On November 1, 2022, Library Trustee Stone, Town Councilman Carota, and Town Supervisor Connolly met and discussed home rule for legislation, the status of a potential lease agreement, and dual building insurance. The Town Supervisor addressed the above by reaching out to the Town Board members. At the December 27, 2022 Town Board Agenda Meeting, the Library requested a Home Rule Resolution from the Town Board that would allow an update of the current charter to that of a true special district; Town Board discussed it and no issues were presented regarding this initiative. At the January 10, 2023 Town Board Meeting, Town Supervisor Connolly acknowledged receiving a Home Rule Resolution Draft from the Library. On February 16, 2023, a Stakeholder Meeting was held to discuss the legislative amendment process. Town Attorney Ryan reviewed the 2022 draft legislation and raised points where he would like the language to be updated so that it is acceptable to both Town and Library; Town Attorney Ryan and Library Attorney Adams plan to meet to make these revisions; a tentative timeline was suggested during this meeting as follows:

- Now to End of February - Make edits to current 2022 draft
- Beginning of March – Both parties to review and analyze
- Mid to End of March – Approved and finalized Legislation introduced into Assembly by Sam Torrey (Chief of Staff for Assemblywoman Marybeth Walsh) for Number; Additional discussion as needed at Town Board Agenda Meeting (3/28/23)
- Beginning of April – Anticipated Home Rule Resolution at Town Board Meeting (4/11/23); paperwork to be finalized by Sam

On March 20, 2023, Attorney Ryan and Attorney Adams met to discuss draft legislation revisions; Attorney Adams addressed the details discussed and Attorney Ryan approved those changes. Sam Torrey recently requested to review the draft prior to both Boards doing a final review. Therefore, on March 28, 2023, Attorney Adams sent her the draft for her review. This modifies the above sequence.

At the April 25, 2023 Town Board Agenda Meeting, the Town Board adopted a resolution supporting the Library Board's submission of draft legislation to be put forward in the current legislative session. The Library Board also adopted a resolution at their April 26, 2023 monthly meeting. Recently that was submitted to bill drafting, bills have been numbered and introduced by Assemblywoman Marybeth Walsh and Senator Jim Tedisco. Bill A7082 is in the Assembly and

Bill S6669 is in the Senate; that progress can be tracked in real time on The New York State Senate website. Both houses passed bill on 5/31/23 and 6/21/23, respectively. **On August 23, 2023, Governor Hochul signed the bill into law as Chapter 336.**

Table 1. Capture of Services

A. Payroll has been transitioned. Library is processing payroll.

B. Since January 1, 2022, the Library process is being used to administer all new Library procurements. This will continue for future procurements.

C. Library Funds, and the Accounts where those funds reside, are described in the Director's report in the posted minutes of the Library Board of Trustees meeting.

<https://burnthills.sals.edu/>

The most recent Library-generated financial report was reviewed in the Public Meeting of the Library Board of Trustees on August 30, 2023. Further, on August 25, 2023, the Library provided the Town with updated additional detailed monthly financial reports and account reconciliations that had been identified by the Town.

D. The tax levy is currently authorized to be included on the budget submitted by the Town Board, and paid only by those in the district served. After Transition, the Library Tax will continue to be collected by the Town on residents' tax bills. The proposed legislation will authorize a process by which a budget is directly approved by voters of the Special District Library. An election is scheduled for November 14, 2023.

E. Historically, the Library Trustees are appointed by the Town Board. Constituents in the Library's Special District (serving the Town of Ballston, excluding the Village of Ballston Spa) will be eligible to vote to select Library Trustees. An election is scheduled for November 14, 2023.

F. Employee Medical Benefits/WC/Retirement/Disability; beginning on January 1, 2022, the Library manages this in accordance with local Civil Service rules and guidelines. The last elements of the NYS Retirement have been completed.

G. HR Administration; Beginning on January 1, 2022, the Library manages HR Administration in accordance with local Civil Service rules and guidelines and that handbook.

H. The Library premises and contents have been previously insured through the Town, and paid by Library funds. Presently, the Library has secured its own insurance for the Library's premises and contents that went into effect on January 1, 2022. The process for insuring the building may change as (and, if) building ownership evolves. A copy of the applicable insurance policies has been provided to the Town by the Library. In June, it was discovered that both the Town and the Library are maintaining insurance for the premises and collection. The Library's budget is being used to pay for both. This is the topic of ongoing evaluation and discussion.

I. Building Maintenance is coordinated and paid for by the Library. Capital improvements are coordinated and paid for by the Library, with notice to and upon leave of the Town as property owner.

J & K. The Library premises are owned by the Town, but restricted by deed to the use of the Library. The Library and Town coordinate on property-related issues. The Library Board of Trustees passed a resolution in the September 28, 2022 meeting to consider entering into a

lease agreement with Town for use of the library building. The Library wishes to confirm the terms of its occupancy of the library building to ensure clarity regarding key operational issues. Therefore, the Library shall explore a written agreement with the Town.

L & M. Snow removal and landscaping are administered and paid by the Library.

N. The Library has retained an accountant for the fiscal reports it must file with the State and share with the public and other services.

O. On-going Legal Support of the Library was previously provided by Town, but is currently administered and paid by the Library.

P. Previously, the Library employed Policies of both Town and Library, with the Library leveraging Town policies for many administrative and non-Library specific operations. The Library no longer references Town policies.

Summary:

This document describes the aims and activities of the Transition of the Library to a Special District Library (using the Contemporary Definition). It specifically targets the roles of the Town and the Library relative to operations and governance.

As of April 2023, the Town Board and the Library Board adopted resolutions supporting the submission of draft legislation to be put forward in the current legislative session. Currently, Bill A7082 is in the Assembly and Bill S6669 is in the Senate; that progress can be tracked in real time on The New York State Senate website. Both houses passed bill on 5/31/23 and 6/21/23, respectively. **On August 23, 2023, Governor Hochul signed the bill into law as Chapter 336.**

The Town and Library serve shared constituents. It is imperative that this transition results in minimal disruption for patrons and employees.

BALLSTON COMMUNITY PUBLIC LIBRARY PETITION FOR SPECIAL DISTRICT PUBLIC HEARING

CHARTER UPDATE

Initially chartered in 1957, the Ballston Community Public Library has served the community for 66 years. Both our community and library have changed since then, and the library is updating its legislation to reflect how special district libraries work today. This update creates more transparency and accountability by providing district residents with direct input to the library, reflected in two significant changes:

- Residents of the Library District will vote on the budget directly.
- Currently, the Town of Ballston appoints library trustees. The new legislation ensures district residents elect library trustees.

The Library and Town of Ballston worked with Assemblywoman Walsh, Senator Tedisco, the Southern Adirondack Library System, and the New York State Library to coordinate this update. Governor Hochul signed the update into law as Chapter 336 on August 23, 2023.

This November 14, 2023, residents of the Library District will vote on the Library's budget and elect Board of Trustee members. Voters need to be registered in New York State (NYS) and live within the Library District 30 days prior to the vote.

The Library District consists of The Town of Ballston, outside of the Village of Ballston Spa. The Library District does not follow the Burnt Hills-Ballston Lake School District boundaries.

As required by the legislation, to hold an election, the Board of Trustees must first hold a Public Hearing:

- 25 registered voters of the Library District must petition the current Board of Trustees to hold the public hearing.
- The public hearing will address:
 - questions about the updated library district
 - the proposed 2024 budget
 - information about 2024 Trustee candidates
- Signatures must be delivered by **5 PM Wednesday, August 30** to:

The UNDERSIGNED VOTERS OF THE SPECIAL DISTRICT CREATED BY CHAPTER 203 OF THE LAWS OF 1957 (residents of the Town of Ballston, excluding the Village of Ballston Spa) hereby petition the board of trustees of the existing Ballston Community Public Library ("the Board") to give notice that on October 11, 2023, the Board shall hold a public hearing regarding the formation and operation of a Public Library district as set forth in New York Senate Bill No S06669 passed on May 31, 2023 (pertaining to the creation of a special library district), and confirming that such district was already passed by the voters on November 5, 1957.
