Youth Services Programming: Youth Services staff has finished planning all programs for 2023 and will be gearing up to start 2024 program planning and Summer Reading Prep. The Stevens Kindergarten classes visited the library earlier this month for 4 field trips. They had a short tour of the library, a brief story time, and then were able to check out a book with their new library cards. For the month of October, we offered our regular 4 story times every week, 7 book clubs, 1 STEM program, 1 after school craft, a Grab 'N Go Craft, 1 Tween activity, 1 Teen craft, a Family Bingo Game Night, 3 Read to Seamus the Dog events, and 1 Story Crafters program. To celebrate the annular solar eclipse that happened on October 14, we passed out solar eclipse glasses for two weeks and then had a special solar system family craft on that Saturday, right before the eclipse began. Our 2nd annual Halloween Story Time party will be on October 28 and we are excited to see everyone's costumes this year!

Adult Programming: Fall has been a mix of returning programs, and a few new ones! Town Historian Rick Reynolds led a tour of the former site of Forest Park, which existed on the southern end of Ballston Lake in the early 1900's, with 20 people attending. Memoir Writing with Mary Sanders Shartle is back, along with a great exercise class with Kimberly from Sorella Spa. In November there will be a few Senior Planet computer classes, along with the return of the Photo Backdrops!

Angela Morrow has started as a circulation clerk.

Facility Update

Wiring Concepts came to the Library in Mid-October to take care of several issues. The outdoor lighting is
now working correctly again. A light in the kitchen is broken and will be replaced with a new LED light. A
ballast in the downstairs bathroom is no longer working, we will replace the fixture with a new LED light.

This is an update on the Transition of the Library to a Special District Library (as currently defined by New York State Education Department (NYSED)). Content updates for October 2023 are highlighted yellow. Clerical updates are not highlighted. Transition efforts status is provided in Table 1 and summarized in the descriptive text.

Date: November 1, 2023

All of the previously shared or Town administered services on behalf of the Library have transitioned to full Library administration. Library operations do not rely on Town administration, and, in the future, will not, unless, and except as, *ad hoc* efficiencies in collaborating are identified by the Library and the Town.

On November 1, 2022, Library Trustee Stone, Town Councilman Carota, and Town Supervisor Connolly met and discussed home rule for legislation, the status of a potential lease agreement, and dual building insurance. The Town Supervisor addressed the above by reaching out to the Town Board members. At the December 27, 2022 Town Board Agenda Meeting, the Library requested a Home Rule Resolution from the Town Board that would allow an update of the current charter to that of a true special district; Town Board discussed it and no issues were presented regarding this initiative. At the January 10, 2023 Town Board Meeting, Town Supervisor Connolly acknowledged receiving a Home Rule Resolution Draft from the Library. On February 16, 2023, a Stakeholder Meeting was held to discuss the legislative amendment process. Town Attorney Ryan reviewed the 2022 draft legislation and raised points where he would like the language to be updated so that it is acceptable to both Town and Library; Town Attorney Ryan and Library Attorney Adams plan to meet to make these revisions; a tentative timeline was suggested during this meeting as follows:

- Now to End of February Make edits to current 2022 draft
- Beginning of March Both parties to review and analyze
- Mid to End of March Approved and finalized Legislation introduced into Assembly by Sam Torrey (Chief of Staff for Assemblywoman Marybeth Walsh) for Number; Additional discussion as needed at Town Board Agenda Meeting (3/28/23)
- Beginning of April Anticipated Home Rule Resolution at Town Board Meeting (4/11/23); paperwork to be finalized by Sam

On March 20, 2023, Attorney Ryan and Attorney Adams met to discuss draft legislation revisions; Attorney Adams addressed the details discussed and Attorney Ryan approved those changes. Sam Torrey recently requested to review the draft prior to both Boards doing a final review. Therefore, on March 28, 2023, Attorney Adams sent her the draft for her review. This modifies the above sequence.

At the April 25, 2023 Town Board Agenda Meeting, the Town Board adopted a resolution supporting the Library Board's submission of draft legislation to be put forward in the current legislative session. The Library Board also adopted a resolution at their April 26, 2023 monthly meeting. Recently that was submitted to bill drafting, bills have been numbered and introduced by Assemblywoman Marybeth Walsh and Senator Jim Tedisco. Bill A7082 is in the Assembly and

Bill S6669 is in the Senate; that progress can be tracked in real time on The New York State Senate website. Both houses passed bill on 5/31/23 and 6/21/23, respectively. On August 23, 2023, Governor Hochul signed the bill into law as Chapter 336.

Date: November 1, 2023

On October 25, 2023, Library Trustee Stone, Town Councilman Carota, and Town Supervisor Connolly met; they agreed that it would make sense to do a transfer of the land and building from Town of Ballston to the Library. Supervisor Connolly will add this transfer item to the Town's 2024 Priority List. In the interim, Town Councilman Carota and Town Supervisor Connolly would like to do a nominal lease. Trustee Stone has requested Attorney Adams to contact Attorney Ryan to explore the cost-effective way forward. In addition, the continuation of "quarterly" meetings and this monthly status report were discussed; the consensus was a meeting can occur when necessary and this report will no longer need to be provided.

Table 1. Capture of Services

- A. Payroll has been transitioned. Library is processing payroll.
- B. Since January 1, 2022, the Library process is being used to administer all new Library procurements. This will continue for future procurements.
- C. Library <u>Funds</u>, and the <u>Accounts</u> where those funds reside, are described in the Director's report in the posted minutes of the Library Board of Trustees meeting. https://burnthills.sals.edu/

The most recent <u>Library-generated financial report</u> was reviewed in the Public Meeting of the Library Board of Trustees on November 1, 2023. Further, the Library will provide the Town with updated additional detailed monthly financial reports and account reconciliations that had been identified by the Town.

- D. The <u>tax levy</u> is currently authorized to be included on the budget submitted by the Town Board, and paid only by those in the district served. After Transition, the Library Tax will continue to be collected by the Town on residents' tax bills. The proposed legislation will authorize a process by which a budget is directly approved by voters of the Special District Library. An election is scheduled for November 14, 2023.
- E. Historically, the Library <u>Trustees are appointed</u> by the Town Board. Constituents in the Library's Special District (serving the Town of Ballston, excluding the Village of Ballston Spa) will be eligible to vote to select Library Trustees. An election is scheduled for November 14, 2023.
- F. <u>Employee Medical Benefits/WC/Retirement/Disability</u>; beginning on January 1, 2022, the Library manages this in accordance with local Civil Service rules and guidelines. The last elements of the NYS Retirement have been completed.
- G. <u>HR Administration</u>; Beginning on January 1, 2022, the Library manages HR Administration in accordance with local Civil Service rules and guidelines and that handbook.
- H. The Library <u>premises and contents have been previously insured</u> through the Town, and paid by Library funds. Presently, the Library has secured its own insurance for the Library's premises

and contents that went into effect on January 1, 2022. The process for insuring the building may change as (and, if) building ownership evolves. A copy of the applicable insurance policies has been provided to the Town by the Library. In June, it was discovered that both the Town and the Library are maintaining insurance for the premises and collection. The Library's budget is being used to pay for both. This is the topic of ongoing evaluation and discussion.

Date: November 1, 2023

- I. <u>Building Maintenance</u> is coordinated and paid for by the Library. <u>Capital improvements</u> are coordinated and paid for by the Library, with notice to and upon leave of the Town as property owner.
- J & K. The <u>Library premises are owned</u> by the Town, but restricted by deed to the use of the Library. The Library and Town coordinate on property-related issues. Since the <u>Library's</u> legislation has been successfully updated, Attorney Adams and Attorney Ryan will explore the most cost-effective way forward.
- L & M. <u>Snow removal and landscaping</u> are administered and paid by the Library.
- N. The Library has retained an <u>accountant</u> for the fiscal reports it must file with the State and share with the public and other services.
- O. On-going <u>Legal Support</u> of the Library was previously provided by Town, but is currently administered and paid by the Library.
- P. Previously, the Library employed <u>Policies</u> of both Town and Library, with the Library leveraging Town policies for many administrative and non-Library specific operations. The Library no longer references Town policies.

Summary:

This document describes the aims and activities of the Transition of the Library to a Special District Library (using the Contemporary Definition). It specifically targets the roles of the Town and the Library relative to operations and governance.

As of April 2023, the Town Board and the Library Board adopted resolutions supporting the submission of draft legislation to be put forward in the current legislative session. Currently, Bill A7082 is in the Assembly and Bill S6669 is in the Senate; that progress can be tracked in real time on The New York State Senate website. Both houses passed bill on 5/31/23 and 6/21/23, respectively. On August 23, 2023, Governor Hochul signed the bill into law as Chapter 336.

The Town and Library serve shared constituents. It is imperative that this transition results in minimal disruption for patrons and employees.

Naloxbox Program Memorandum of Understanding

This Memorandum of Understanding is entered into by and between <u>Saratoga County</u> <u>Department of Health (SCDOH)</u> and <u>Ballston Community Public Library</u> located at 2 Lawmar Lane, Burnt Hills, NY 12027.

THE PURPOSE OF THIS AGREEMENT

The purpose of this Memorandum of Understanding (MOU) is to show an intended relationship between the SCDOH and Ballston Community Public Library to provide opioid overdose rescue kits ("NaloxBoxes") Ballston Community Public Library's 2 Lawmar Lane, Burnt Hills, NY 12027 location in Saratoga County, NY. SCDOH operates a New York State registered Opioid Overdose Prevention Program, which allows it to distribute Naloxone, train individuals in the use of the drug and to provide education and support to the public, as needed.

SCDOH agrees to:

- Purchase and maintain a sufficient number of storage containers and necessary mounting hardware.
- Include the following items in each storage container and to replace these items as needed:
 - 2 boxes which each include (2) 4mg Naloxone nasal sprays
 - Rescue breathing face shields
 - Directions for administration in English and Spanish
 - Information about New York State's Good Samaritan Law
- Taken together, the storage container and its contents are known as a "NaloxBox" opioid overdose rescue kit.
- Assess the condition of the storage containers, mounting hardware and "NaloxBox" opioid overdose rescue kits on an annual basis or upon request from Ballston Community Public Library.
- Provide Ballston Community Public Library employees with annual training (or upon request) on how to identify an overdose and how to appropriately respond.

Ballston Community Public Library agrees to:

- Designate a point person who will routinely and regularly assess the state and condition of the NaloxBoxes. The point person will report to SCDOH if the box needs to be refilled or is damaged.
- Monitor the NaloxBox and make a good faith effort to ensure that Narcan is consistently available within the box. Ideally, each location will check boxes at a minimum weekly, if not more frequently. In addition, the Ballston Community Public Library will determine if they would like a signed sheet for the checking of the boxes on a regular basis.
- Report to SCDOH if Narcan was used (even if just one dose), taken, damaged, nearing its expiration date, or has expired. SCDOH will replenish the Naloxone for the NaloxBoxes within 1-2 business days.
- Will reach out to SCDOH for assistance with training new staff, as needed.

The business can contact SCDOH by email at <u>opioids@saratogacountyny.gov</u>, or by phone at 518-478-5870.

PICTURE OF NALOXBOX

TERMINATION

Any party may terminate this Agreement for any reason within thirty (30) days of written notice. If the program is terminated by the Ballston Community Public Library at any time the NaloxBox must be returned to SCDOH within ten (10) business days.
