INTENTIONS: (Why are you seeking the Trustee position/your interest in libraries?)

before she left for home (often hours later).
We loved the independence that it helped to teach her
while feeling comfortable that she would be safe.
I hope, that if elected Trustee, to be able to support
the Librarian's long range goals and to ensure access for
children, teens and adults for years to come.

Clear and effective communication. I listen attentively
and believe I have strong collaborative and community
building skills.
