

Library Friend;

The Friends of the Library are excited to once again host our Library Mini Golf Tournament on February 20 and 21 at the Ballston Community Public Library. This year's event will again bring together families, students, and community members for a fun and positive experience. This Tournament is made possible by sponsors from our local business community.

The Friends of the Library built their own nine-hole miniature golf course. We designed a custom course for our Library to better suit our needs and to keep more of the money raised right here at the Library. You can expect your favorite hazards, obstacles and of course a hole down the stairs to all be included.

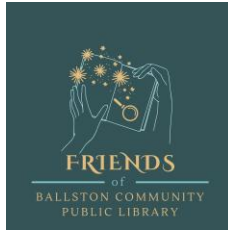

This event would not be possible without your support! Are you interested in sponsoring a hole or a tee? For a \$100 tax-deductible contribution, you will have the option to decorate your hole or tee and have a sign with your company logo on it. In addition, all sponsors will be listed on the golf scorecards, along with the Library's website and promoted on social media.

For more information, please contact us or check out the Library's website <https://bcpl.sals.edu>. If you are interested, please complete the enclosed signup form and return it to the Library by February 5 to reserve your spot on the course.

Thank you,

Aaron Lauber
